- 

## KEY PROJECTS

### Personal Portfolio Website with AI Assistant | Full-Stack Developer

- Designed and developed a professional portfolio using **React.js/HTML/CSS** to showcase technical projects and creative work.
- Integrated a **Custom AI Assistant** using OpenAI API / Gemini API to interact with visitors and answer queries about my skills and experience.

### Saathi App | Team Lead & Full-Stack Developer <https://lnkd.in/gjn497XS>

- Led a team of 4 to build a community-driven mobile application using **Flutter** and **Java/Spring Boot**.
- Managed backend integration with **Firebase** and **AWS S3** for real-time data storage and user media management.
- Implemented secure REST APIs to handle user authentication and social connectivity features.

### Xotech Website | Web Developer <https://codegomanish.github.io/XoTech/>

- Built a high-quality service-oriented website focusing on modern UI/UX principles and smooth navigation.

- Focused on clean code architecture and cross-browser compatibility to ensure a professional user experience.

### Green Forest App | Mobile App Developer

- Developed an eco-friendly initiative app using **Flutter (Dart)** to track and promote environmental sustainability activities.
  - Integrated local storage and interactive UI components to engage users in daily "green" challenges.
- 

## EXPERIENCE

### Technical Freelancer | Full-Stack & Creative Services *(Jan 2023 – Present)*

- Delivered technical solutions and high-quality digital assets for international clients.
  - Managed end-to-end project lifecycles, from requirement gathering to final deployment.
  - Leveraged technical expertise to automate creative workflows, improving delivery speed by 25%.
- 

## EDUCATION

**Bachelor of Science (Computer Science)** | *University of Delhi, India (Dec 2022 – 2026, Final Year)*

**Class XII & Class X** | *S.G.S. Inter College*

---

## CERTIFICATIONS

- **Microsoft Language Service & Azure AI** (2024)
  - **Python & Node.js** – Wild Learners (2023)
  - **Digital Marketing** – Google Digital Garage (2021)
- 
- 

## ADDITIONAL INTERESTS & CREATIVE SKILLS

- **Creative Content Creation:** 2+ years of experience in professional video editing and motion graphics.
- **Visual Storytelling:** Proficient in scriptwriting for digital media and brand storytelling.
- **Graphic Design:** Skilled in logo branding and UI/UX design concepts using Canva and Adobe tools. **Photography & Travel:** Passionate about capturing perspectives and exploring diverse cultures.
